HOLDING FAST

To the word of life

WORD | WORSHIP | WITNESS

We aim to proclaim Christ and Him crucified

We are a church that is praying and thinking together about the gospel. We desire to see communities transformed by the power of the gospel. We desire to see families raised and fed on the message of the gospel.

We desire to see warm, thriving fellowships built on faithful and confident teaching of God's word as the central pillar of a gospel community.

We long to see the outworking of the gospel in a loving community filled with fruits of the gospel. Transformed children, excited youth, energetic young adults, godly marriages, solid families and fulfilled elders all longing for the Lord's appearing.

ABOUT US

1. Word

God has given us his word and therefore as a community, we endeavor to believe and preach the Word. As we proclaim the Word, we proclaim the gospel as our only hope.

2. Worship

God created us for worship. We pray for this to continually be our testimony; “how you turned to God from idols to serve the living and true God” (1 Thess. 1:9)

3. Witness

As we seek to worship God, we seek to obey Jesus’ command to go out and make disciples of all nations (Matt. 28:1910) so that they may all worship God.

TESTIMONIALS

“

Brought up in a Catholic background, I didn't understand what it means to be a Christian. In the last few years, I began seeking to know God and have deep fellowship. When I relocated to Limuru, a friend recommended GracePoint Church Limuru to me. I began attending and within a few months was baptised. I am now part of the church family, Limuru Town Ekklesia Group and part of the music team.

Esther

I was watching a show on a local Christian Tv station. That week, the preacher was doing a series through the Song of Ascents every morning. I was being struck by how different the teaching was (biblical, clear, cutting). He mentioned that he's a pastor at GracePoint Church Thika Rd. I thought Thika Road is too far. I then learnt that GracePoint Limuru had been planted. I began attending and was baptised. Now trusting God for my family to be Christians.
