Global Mission

Luke and Riss Crowter,

Silver Street Community Church, North London

Thank you for your prayers!

- Give thanks that more of the Silver Street family are regularly reading the Bible so far this year. Pray this continues and the truth would transform us to be more and more like Jesus!
- Praise God for the start of Silver Street Tots, on Tuesday mornings. Pray for the Lord to bring along the people He is drawing to Himself.
- We've recently had an influx of 10+ people from church backgrounds where the gospel was not clearly taught. Many seem keen to call themselves Christians and are receptive to the truth, but are only just now beginning to understand the good news of grace. It's exciting to see the Spirit planting a hunger for the truth in this group - pray for clarity, conviction, conversion.
- We have a particular focus this year on investing in & raising up new leaders. Ask the Lord of the harvest to raise up a diverse set of leaders across church life.

Congratulations

Congratulations to Jack and Becca on the birth of Esme Leah Wilcox who was born on Sunday 26th January at 10.30am, weighing 7lb 1oz. Both mum and baby are doing well!

Lost property

There is a table of lost property in the Foyer. Please check to see if it belongs to you and take it if so – this is from mid-week and Sunday friends. If anything is left, it will be taken to a charity shop in the next couple of weeks.

Advance notice

Please be aware that West Street will be closed during the day next week and there will be some other road closures in the town centre over the next couple of weeks. Please keep checking the signs for further information.

Sharing Together

Available

Cream and beige check armchair in good condition. For further details, please see Ruth Dollimore.

A rotary sander and a tile cutter. Both are mains electric. For further details, please see Bill Carter.

Sermon Notes

In need of the T-loop for better hearing?

We have a hearing loop installed in the auditorium and the foyer for use by people with hearing aids. There are many places around the auditorium ground floor that you can pick it up well, but it is best to avoid the first 3 rows for the best reception.
