GLOBAL MISSION

Tiago & Melisa Bugalho

Serving at Ramada Baptist Church, Lisbon, Portugal

We are grateful to the Lord for the beginning of a new year. God has blessed us as a family, keeping us healthy and, by God's grace, recovering very well from the trial we experienced last December.

It is with great joy that we share with you that on 10 February, we - as a Church - launched our first book in Portuguese from Portugal. 'The Gospel of Jesus Christ' by Paul Washer. This book was translated, revised, and launched by brothers from RBC. What began as a desire in Tiago's heart, the Lord made possible through His church. We want to continue working on publishing edifying books that will be a resource for the Church of Christ in Portugal. Please pray for this project and those to come.

Pray for Reinaldo, he is a single man who came to us from a false church, with much confusion in his beliefs. He has been discipled in recent months by Tiago and has faithfully attended services. Pray that he may sincerely and wholeheartedly embrace the true gospel and continue to grow in the grace of our Lord Jesus Christ. Thank God, he has shown evidence of this.

We praise God for the ordination of three new deacons at RBC. On Sunday, 1 February, we prayed for Fernando, Arnaldo, and Pedro and their families. By God's grace, they join the two deacons we already had, and now we have a team of five faithful men serving in this ministry. Tiago continues to invest in a group of potential male leaders once a month, believing that the Lord is building His church in Ramada.

Thank you so much for your love, your support and your precious prayers. We pray for you and hope to be with you soon!

Nano Day – Saturday 18 April

We are excited for our NANO DAY coming up at the beginning of the summer term! It will be a wonderful opportunity to look at God's Word together and get stuck into some great activities. We will be based at the church but heading out in the middle of the day to use the sports hall at Dunstable Leisure Centre. We hope as many of our Nanoers can join us as possible.
