Ephesians: In Christ

Ephesians 3:1-13

In Ephesians chapter 3, Paul speaks about a mystery that has been made known. In this study, we are going to learn more about what that mystery is, how it is being made known and the wonderful implications of it for us in the church today.

Read together Ephesians 3:1-13

1) How would you explain the mystery that Paul describes in verses 1 to 6? What aspect of the mystery (verse 6) do you find particularly thrilling?

2) Look at verses 7-9 again. Why is a grasp and appreciation of God's grace in Christ so important to Paul as an apostle? What can we learn from Paul regarding gratitude for God's grace and his "boundless riches in Christ"?

3) What, remarkably, is God doing through the church according to verses 10-11? Why is this an encouragement to take church seriously and to pray for the local church?

Spend some time turning these things over to God in prayer now.
