21st April

Ephesians: One In Christ

Ephesians 6:10 - 20

Discussion starter: Why might some people scoff at a passage about spiritual warfare? How would you respond?

READ Ephesians 6:10-20

Explain the nature and work of the enemy, based on this passage. In what ways are you aware of the schemes of the Evil One?

Why is Christ's person and work so pivotal to our understanding of this passage?

As you read through the Armour of God, which piece particularly encourages you/what piece do you particularly need as you stand in Christ?

Prayer: Spend some time praising God for Christ's victory over Satan, and for how the Lord equips us with everything we need for the spiritual battle we face, in Christ. Pray for one another as you return to battle during the rest of this week, asking that you would use each item of the armour in His strength and for His glory.
