TELAGU CHRISTIAN FELLOWSHIP

From Raj & Lavanya Paragati

I know you've been praying for the TCFL Family (Telugu Christian Fellowship – Luton), and we truly appreciate it. Please add these prayer points in global matters.

- Please continue to uphold TCFL in prayers. Over the past nine months, God has been working among students, and we're now beginning to see families (currently three) slowly joining the fellowship.
- Many hearts are opening to the Word of God. Please pray that this transformation leads them to fully commit their lives to Christ.
- We've been holding daily online prayer meetings via Google Meet from 8:30 to 9:00 PM since 7th March 2025. A few people are joining as they're able. Please pray that God continues to strengthen and sustain this time of intercession.
- Some individuals are in need—physically, mentally, emotionally, and spiritually. Let's lift these needs before God, praying that they surrender their hearts and accept Jesus Christ as their personal Saviour.
