## Switching to Sunday Keys sounds

- Fade the volume on the Keyboard/Piano all the way down.
- Turn the touch screen on (press the button behind the lower right of the screen). The touch functions take a moment to start working, there is a mouse and keyboard you can use if required instead.
- Fade Master Fader to full (top right of app interface).

- Ensure the app's audio is outputting to the Wave SoundGrid by pressing the menu icon at the top right of the interface.
- Now select "Settings" from the menu following by "Audio" and then opening the dropdown labelled: "Current Audio Output Device" to select "Waves SoundGrid".

		Settings	×
Audio	>	Current Audio Output Device	Waves SoundGrid
Flex Routing	>		Same as System
Metronome	>	Buffer Size	Mac mini Speakers
Midi	>	Higher values reduce system strain but increase latency	
Performance	>		Splashtop Remote Sound
Snapshots	>	Time to silence previous Patch	Waves SoundGrid 📀

## Switching back to the Keyboard sounds

• Fade the Master fader all the way down.

• Fade the volume on the Keyboard/Piano all the way up.

## When finished playing...

• Ensure the Master fader is all the way down on the app.

- Fade the volume on the Keyboard/Piano all the way up before switching it off.
- Turn the touch screen off (press and hold the button behind the lower right of the screen until the screen turns off).
