

Praying for our Nation

PRAY FOR OUR GOVERNMENT

- As we speak to people day by day, we hear a lot of opinions of where things aren't going well, but it is important for **us to reflect on the good things** happening in our government at this time. Spend some time praising God for them.
- Let's pray for those in positions of authority:
 - On the national level: The Prime Minister, and his cabinet.
 - On the local level: Our local MP, Alex Mayer, Central Beds Council, and our town council.
 - Let's pray for those in positions of authority:
- Pray for the King and Queen, along with the rest of the royal family as they serve the community with their various duties, and the challenges they face.

PRAY FOR THOSE IN NEED

- Pray for those that are struggling at this time. That need to use foodbanks and find extra support in the cost of living crisis.
- Pray for those who are worried about the coming winter; who are unsure of how they will heat their homes.
- Pray for the NHS and for those waiting for treatment either for physical issues or issues involving mental health.
- Pray for our education system and for young people growing up in a society saturated in screens, social media, and its challenges.
