Relief Work in Nepal

Please pray for the ACTION Nepal team, led by Jonah, as they bring vital aid to those affected:

- Survivors, the missing and the grieving – the families and communities devastated by floods and mudslides.
- The most vulnerable – especially the elderly, single mothers, and children who have lost family.
- The Government – for wisdom to develop a strategy to rebuild communities and support families.
- ACTION and Relief Organisations – for aid to reach those in need and for funds to be used wisely.
- The Church in Nepal – that God would continue to build His church and protect the freedoms of believers in this difficult time.

Praying for the ACTION UK Office

ACTION International Ministries works in over 35 nations. The ACTION UK team has been a small team of 3 workers (plus Steve supporting). One has moved on, and the team is looking to the future:

- The Board — for wisdom in appointing new workers and volunteers, and for strengthening the leadership and trustees.
- The UK team — as they are looked to by the wider ACTION family to provide valuable training and support to workers serving in difficult circumstances.
- The mission's vision — that ACTION UK would continue to develop and support evangelism and discipleship among the poor and unreached.
